Product Description

Briggs & Stratton PowerProtect™ DX 13kW Home Standby Generator

Offering more power in a smaller footprint that fits into tight spaces and lot lines, PowerProtect™ 13kW¹ Home Standby Generator provides the essential power you need during a power outage. Engineered with NGMax™ technology for superior power and performance, this compact but mighty generator features a 39% smaller footprint³ than other leading generators. With 37 kVA of motor starting power, the 13kW generator easily handles large appliances and equipment.
