Product Description

Toro 60V MAX* 21" Stripe® Battery Push Mower, 4.0Ah - 21611

The Toro 60V Max* Stripe® Mower is specifically designed from the ground up to deliver pro-level striping, effortless battery power and maximum runtime. Easily create those great striping patterns typically found on golf courses and sports fields. Striping allows you to keep all the grass at the same height throughout the growing season, so all the blades get enough sun. Stripe mower is also 25%*** lighter than other battery mowers, making it easy to use and maneuver. Control your speed with an adjustable knob and turbo button, giving you power on demand.

- Push mower with up to 50 minutes of runtime. Cuts up to 1/2 an acre on a full charge.
- Pro-level striping creates a statement-making, neighbor-envying lawn.
- Up to 25% lighter than other battery powered mowers. Patent-pending engineering results in the best grass lay down.
- 2-point height of cut that allows for quick deck adjusting to keep an even cut.
- SmartStow® makes it easy to fold, lock, clean, and store your Stripe™ Mower while saving up to 70% of your valuable garage space***.
- 10-inch high rear wheels give you traction in tough terrain; don't let rough and uneven ground slow you down.
- Recycler® cutting system results in clippings fine enough to allow moisture and nutrients that create Lawn Vitamins™ to feed back into your lawn.
- 3-phase brushless electric motor with RunSmart™ onboard intel.
- 2-in-1 Ready: mulch and side-discharge capable, with the side discharge available upon registration.
- Use any 60V Max* Flex-Force battery to power any and all of the 75+ tools in the all-season lineup
- We've Got You Covered: 3-Year Limited Battery; 2-Year Limited Mower Warranty.
- Download the MyToro app from your mobile device's app store for easy access to product resources,

including manuals, how-to's, and more
