Product Description

Cub Cadet SC900 Lawn Mower

The Cub Cadet SC900 helps you achieve a great cut quickly with its large 23-inch steel deck, designed for tough areas in your yard. This self-propelled walk-behind mower can easily handle uneven terrain thanks to its rear-wheel drive and MySpeed drive control system, which offers six speeds and adjusts to your pace. A 190cc Briggs and Stratton engine provides the power you need to get the job done. The SC900 also features 3-in-1 options for bagging, side discharge, and mulching.

- A 190cc Briggs & Stratton® engine is built to deliver the strength to power through your yard
 - Large 23-in. all-steel deck is designed to allow you to mow efficiently with 3-in-1 bagging, side discharge and mulching capabilities
 - Rear-wheel drive provides strong control on uneven terrain
 - 9-in. front and rear wheels with Cub Cadet® tread designed for excellent mobility
 - MySpeed™ drive control system delivers six speeds of control, easy engagement and adjusts to your pace.
