Product Description

STIHL FSA 200 R Battery Powered Grass Trimmer (Unit Only)

This lightweight and powerful battery-powered loop-handle trimmer is built for professionals to take on a wide range of landscaping jobs.

Built with a compact, ergonomic design, the FSA 200 R is a lightweight, battery-powered trimmer built for pros to take on a wide range of landscaping projects. Equipped with a loop handle and variable-speed trigger, the FSA 200 R combines comfort with optimal performance and run time, while the anti-vibration system helps cut down on fatigue. With a weather-resistant design and brushless motor, professionals can count on a powerful, virtually maintenance-free tool with a sturdy construction. Built with pros in mind, the FSA 200 R provides the power and ease needed to take on just about any job.

This tool is IPX4-rated weather-resistant construction and has been designed and tested for splash water protection.
