Product Description

STIHL HS 87 T Hedge Trimmer

Precision and efficiency combine in the exceptional STIHL HS 87 T hedge trimmer. Available in 30" and 40" single-sided blade options, this trimmer operates at an increased speed* for efficient trimming of larger areas with greater precision. Its new low-emission engine uses 20% less fuel than previous models, reducing fuel costs and improving the bottom line. The hedge trimmer is also lightweight and includes low-vibration technology, so you experience less fatigue when you're in the trimming zone.
